Description: The Clay County Golf Classic was established in 1991 as a competition of golfers in Clay County and to better our community by establishing and perpetuating a scholarship fund for deserving Clay County youth. Clay County Golf Classic exists to provide Clay County with a championship golf tournament of Northeast Florida golfers and to perpetuate a scholarship fund for Clay County students with need, helping them improve their opportunities for completing post-secondary education. We make an impact in the community by providing the only three-day golf tournament for individual medal play in Clay County and providing scholarships for up to four years for eligible Clay County students with need. Once a student has been selected, their scholarship support will continue for a total of four years provided they maintain a 2.5 GPA each semester.

The tournament is unique because it was founded by Clay County golfers to provide a competition of all golfers, hosted by Clay County golf clubs, for the benefit of Clay County youth.

Description: Susan G. Komen fought breast cancer with her heart, body and soul. Throughout her diagnosis, treatments, and endless days in the hospital, she spent her time thinking of ways to make life better for other women battling breast cancer instead of worrying about her own situation. Moved by Susanâ€™s compassion for others and commitment to making a difference, Nancy G. Brinker promised her sister that she would do everything in her power to end breast cancer.

Though Susan lost her battle with the disease, her legacy lives on through the work of Susan G. Komen for the Cure®®, the organization Nancy started in her honor. Komen for the Cure is the global leader of the breast cancer movement, having invested more than \$1.9 billion since its inception in 1982. Komen's promise is to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures.

Across the country, that promise is upheld by a network of 121 local Affiliate offices. At the heart of each Affiliate is a person or group of people who, like Susan, wanted to make a difference.

North Florida Affiliate story

In 1994, the first ever North Florida Race for the Cure was held in Jacksonville Beach. After a successful event, an affiliate was created in an effort to continue to raise money for local breast health programs. The North Florida Affiliate of Susan G. Komen for the Cure®® was formed in 1995, with 11 men and women serving on the board. The North Florida Affiliate covers Duval, Nassau, St. Johns, Baker and Clay Counties.

Today the North Florida Affiliate continues to carry out our promise of saving lives and ending breast cancer forever by empowering people, ensuring quality care for all and energizing the science to find the cures. We work toward this promise through the hard work of our employees, board members and volunteers.
